TALLER
PUERTORRIQUEÑO

➤ ABOUT US

Founded in 1974, we are a community-based cultural organization whose primary purpose is to preserve and promote Puerto Rican arts and culture. We represent and support all Latinx cultural expressions and our common roots. By embracing our shared heritage and facilitating intercultural understanding we empower our community.

We are guided by the vision of a proud Latinx community that is connected, interculturally aware, and economically vibrant in a society that values its own diversity. Taller catalyzes community engagement through our arts and cultural resources that build bridges between all communities within the Puerto Rican, and Latinx Diaspora.
